Notes:

1. You will have to take notes based on the course materials you are assigned each day. You will be required to submit your notes in a specific drive folder.
2. You will be required to sign-in with an ***openLearn account*** to collect your certification
3. Quizzes will be held via **Google Form**. Submission will close on 11:59 PM of the day it was assigned. Writing-based question remarks will be provided via email.
4. You may look more into the internet to find relatable resources for better understanding.
